

Sioned Hughes – Principal Consultant

Expertise

Policy and strategy development, governance and regulation, community regeneration, Service design, community/Tenant engagement

About

Sioned brings a wealth of experience and excellent overview of the strategic, policy and operational environment that housing providers face in Wales having worked for the umbrella body for housing associations, Community Housing Cymru for 12 years. She has influenced Welsh government and local authorities on policy and service delivery and has represented the sector on Government Task Groups and the Regulatory Board and has led many projects across a broad spectrum of areas. A fluent Welsh speaker, Sioned leads Altair's services in Wales.
