

# Fiona Cliffe, Senior Development Consultant

## Expertise

- Housing regeneration – from feasibility work to the project and programme management of delivery.
- Budget and contract management.
- Resident engagement and consultation.
- Effective communication at all levels.

## About

Fiona has ample experience in housing management, investment management, procurement, and regeneration. (Specifically housing regeneration linked to socio-economic benefits).

Her various roles have included: options appraisals, achieving vacant possession, resident engagement, viability testing, grant applications and on-going liaison with the GLA, delivery of developments, negotiations on a CDA, Section 106, land value, etc., and all reporting requirements.

Fiona's financial experience includes responsibility for procurement and delivery of a £100M p.a. investment programme at a large LA. And her communication skills include liaison with the GLA on the delivery of a contentious scheme and drafting a brief presented to a parliamentary select committee. Of equal importance, effective engagement, and consultation with residents.
